Dining In

The Lancer Battalion held its annual Dining In event in the Lakes Cafeteria on 15 Dec. The event featured performances by an All-Freshmen color guard team, the POW table presentation from C/PV2 Rodriguez, and our own platoon skits. Our special guests included Mr. Lindh-Freshmen Assistant Principal, and Battalion alumni including SGT Rodriguez, 1SG Munoz's son-in-law. SGT Rodriguez spoke to our cadets about the importance of a quality education. Not just as a student, but as a future soldier in training. He also touched on how cadets should get involved in the program to further their experiences.

1SG's Corner

I hope you all had a Happy New Year and spent time with family and friends. It was a tough but rewarding 1st semester, but we got through it together as a team. Lots of Cadets stepped up and assume position of greater authority. With the New Year in front of us we have a few challenges ahead of us. We need to find the time to communicate and come together for the "Three" BIG events coming up—JCLC, JPA, and MILITARY BALL. I have the confident that WE all can work together as a team and finish the year strong. Leaders listen to your fellow cadets, especially the younger ones they have lots of good ideas to keep the Battalion going strong into the future.

I am so PROUD of every single cadet here. Don't give up, stay strong, and have faith in yourself.
