## Battalion Food Drive

The annual Battalion food drive has kicked off. Here is some basic info about our drive:

- This Thanksgiving food drive supports cadets in our program and their families who may not have enough food for thanksgiving.
- Cadets should bring in non-perishable food items in from now until 15 Nov.
- The top platoon with the most food in each company will receive a special prize for their hard work.

If you have any questions, contact 1SG Munoz or LTC Patty.

## 1SG's Corner

I would like to thank all the special teams that did their best at South Kitsap. The Lancer Battalion is doing great things around our community and Lakes HS. We held our 1st promotion board on October 24th; our young leaders got tested on their ability to understand the way of being an NCO. We promoted a total of 8 NCO's. Our Food drive is going well with Alpha 3 leading the way with the most food cans donated; let's keep collecting to help provide a Thanksgiving Dinner to our very own.

Thank you so much for your commitment to our Battalion----
